The Baron Compact is the ideal motorcaravan for couples, small groups and those new to the world of motorcaravan travel.

Designed to offer maximum manoeuvrability thanks to its compact dimensions, it handles even the narrowest roads and lowest clearances with ease, without compromising on comfort and liveability on board.

**Compact in size,
spacious to live in!**

Additional packs and options may only be installed in accordance with the vehicle's maximum technically permissible weight. For the calculation of the weight, please refer to the technical data sheet and/or the QR code on page 1
